Selection of Books

There are two lists - one for Younger and one for Older Readers. Readers are able to read and vote for books from either list, as they have no prescribed year levels.

REMEMBER - The books on the list have been nominated by the young readers of Western Australia and it is important that you **carefully consider your selection policy** before purchasing. Individual authorities are expected to make their own decisions regarding any controversial aspects of books purchased for their readers.

You do not have to purchase all the books to participate in the voting.

Nominations for 2008 Lists

Encourage your readers to nominate books they have enjoyed for the 2008 lists by completing a Nomination Form (photocopy after adding your Library's name) and forward it to WAYRBA.
